FOR IMMEDIATE RELEASE

**WHITETAIL RESORT AWARDS \$5,500 IN SCHOLARSHIPS TO 11 AREA
HIGH SCHOOL AND COLLEGE STUDENTS.**

Mercersburg, PA – Eleven outstanding Whitetail Resort employees were recently awarded the seventh annual Whitetail Resort Scholarship To Promote Higher Education for the sum of \$500 each.

This year's list of recipients included seven local students from high schools. Those seniors were; Seth Gilbert, Melissa Pierce, Julie St. Clair and Lauren Horst of James Buchanan High School, Jessamyn Souders of Williamsport High School, Kerrington Grey of Clear Spring High School and Patrick Callahan of Musselman High School. Each recipient was awarded the \$500 scholarship at their respective high school ceremonies.

Four local college students were also awarded the scholarship by Whitetail Resort. Those five students included; Alicia Helfrick of Shippensburg University, Jazquelyn Ross of Penn State Altoona, Meredith Johnson of Asbury College and Abigail Stowe of Liberty University.

The funding for the Whitetail Resort Scholarship To Promote Higher Education is made possible by the contributions to the scholarship donation boxes at Whitetail

Resort's complimentary ski and board check and the money from employee soda machines around the resort.

Scholarships are awarded based on scholastic achievement and Whitetail Resort's "STEER" values; safety, teamwork, enthusiasm, efficiency and professionalism. Each applicant must also maintain an appropriate grade level, participate in extracurricular activities and provide adequate references.

"Whitetail Resort is very fortunate to have such a large number of outstanding student employees. All eleven of the recipients were very deserving of the award and each exhibited many of our core values and demonstrated excellent academic achievement," said Don MacAskill, Whitetail Resort President.
