

Kids' Mountain Camp Check In Procedure

Check-In begins at 8:00 am. Please arrive at the Learning Center building no later than one half hour before the start of the lesson. Please allow extra travel time and wait times on weekends and holidays.

Please have your child(ren) dressed in weather appropriate clothing upon arrival. Layers are recommended. Your child(ren) will need snow pants, a jacket, and gloves. You may want to include a neck warmer. Helmets are provided so hats are not necessary.

If your child(ren)'s reservation includes rental equipment, it will be ready when you arrive at the camp. It is important to arrive early. This will allow time to ensure their equipment fits properly before the lesson begins.

Please note that you will pick your child(ren) up OUTSIDE at the end of the Learning Center Building at the checkered flag located at the bottom of the Velvet Trail.

Your child's lift ticket and use of equipment is good for the remainder of the day. If you choose to continue skiing/riding with your child(ren); at the end of your day you may return the equipment and pick up his/her belongings at the Private Lesson Desk in the Learning Center building.

If your child has special dietary needs, we encourage you to pack their lunch and/or snacks. Keep in mind, due to frequent allergies, nut products of any kind are NOT permitted within the Learning Center.
